

Helping to eradicate the misuse of unused medications

DisposeRx[®]
Solving the problem of drug disposal

DisposeRx[®]

Solving the problem of drug disposal

DisposeRx[®] is a simple, effective and convenient at-home medication disposal solution designed to reduce the risks associated with leftover medications, such as accidental poisonings, overdoses and addictions. Keep your home and community safe from the risks of unused medication by:

- Never using another person's prescription and never giving your prescription medications to others
- Storing prescription medication safely and out of reach and out of site of children and others
- Disposing of your unused medication once you decide you no longer need it
- Disposing of your unused medication with the easy, effective and convenient **DisposeRx[®]** packet!

Simple. Convenient. Effective.

Instructions for Disposal

- 

1. Add water until vial is 2/3 full.
- 

2. Empty DisposeRx powder into vial, replace cap and shake for 30 seconds.
- 

3. Safely discard in trash.
